

Creative director: Janice Choi  
Designer/developer: Maya Simon

Topic: Whisper of the Heart

- Intro/homepage with images from movie
- Split categories into multiple pages
  - One page wouldn't be enough
  - Multiple pages would allow to go deeper into each category (plot, cast, reception, etc.)
- Play around with different navigation and color styles for the mockups
  - Navigation: top bar, side bar, etc.
- Colors: warm, comforting
  - Take colors from example images in creative brief
