## Project Title: *Whisper of the Heart*

I would like to build a multi-page site about *Whisper of the Heart*, a 1995 Japanese animated film. I'm thinking of a typical site navigation either running across the top of the site or along the side.

- **Home Page/Introduction** – Introduce basic information (as indicated in the first section of the Wikipedia page)
- **Plot**
- **Voice Cast**
- **Production and Music**
- **Reception**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
